Steve -

NOT A PERMIT

Thank you for taking the time with me on the phone today and offering to present our request to the board. I am one of the producers on season 15 of The Real Housewives of Orange County and, as discussed, we would like permission to film at two addresses in your neighborhood (1963 Port Bristol Circle & 1962 Port Cardiff Place) in order to secure filming permits from the City of Newport Beach.

When we film, we utilize a 7 person team, but keep a small footprint in the neighborhood as we mostly film inside the house. We are aiming to film about 1-2 times a week through the end of the year and are following strict
Covid19 protocols.

There is one day that we would like to request special permission to film the exterior of these addresses in order to obtain beauty shots of the house. We film these from a small jib on that sometime gets placed in the street, though it is on wheels so we can move it out of the way quickly so we do not impede any traffic. This day would be scheduled with you prior to filming.

Over the course of our 15-plus years in Orange County, we have built strong relationships with neighborhoods and respect them as if they are our own. We have worked successfully with numerous homeowner associations in the area. Anthony Mazza at FirstService Residential would be able to speak candidly about what our process is like. He has overseen our filming in various neighborhoods. It is our goal to work with you to make this an easy process for everyone. Please feel free to reach out if you have any questions or concerns.

I look forward to discussing this with you further.
